

Summer Update Newsletter

Well, those of us that were waiting for summer must be delighted with the recent heat! It is hard to imagine the cool temperatures and snow drifts that we experienced just months earlier. As all seasons come and go some months seem to fly by more quickly. As we settle into the middle of July I ask myself how can half of the year be gone so quick? The fall is approaching and our routines will be back in full swing soon with holidays concluding and school starting it is time to focus on maintenance of our homes, cars and OURSELVES. If you are due or overdue for your preventative care hygiene and do not have a reserved appointment contact the office today and keep your health on track.

REMINDER: We are offering evening hours on Wednesday's and Thursday's for convenience but they are filling quickly! If evenings are your preference be sure to call early to avoid getting off your cleaning sequence.

The office will be CLOSED for summer vacation July 30th through to August 10th re-opening on August 13th.

On June 16th, Bisson Dentistry hosted our first annual FREE dentistry event. Through the generosity of our sponsors and wonderful team we were able to preform over \$8000 of dentistry complimentary to our community! We are really proud of this event and look forward to making an even bigger impact in 2019.

Watch for our commercial on CTV and our new radio ad on Magic 106.1 Bisson Dentistry is being seen and heard in our Guelph community and is welcoming any new referrals of your co-workers, friends or family. Children 12 and under are always entitled to a FREE new patient exam and orthodontic screening. Hurry in before summer is gone!

Regards,
Bisson Dentistry

Watch for our Invisalign promo coming this fall.
