Fees and Payment Policy

In an effort to keep costs down while maintaining a high level of professional care, we have established the following payment options for our patients.

- 5% discount when paying at time of service with a check or cash
- Statements are sent out the last day of the month with payments due by the 30th day of the next month.
- We gladly accept Visa, Mastercard , American Express and any debit cards including your health savings cards.
- Care Credit- a credit card used for medical and dental services. Our office participates in the 6, 18 and 24 month options. Ask our front office staff to help you get started.
- In some cases, balances may be spread over a 90 day period upon approval from our financial coordinator. Accounts that exceed 90 days from the treatment date will be charged interest at the rate of 9% per annum.
- Late Cancellation/No Show Policy: Any late cancellation or broken appointment with **Less than 24 business hours of notice**, will be assessed a fee of \$50.00 for a hygiene appointment, and \$100.00 for a dental appointment.

Insurance

Insurance is a great benefit. If you have dental insurance, we will be happy to bill them for you. Pre-authorizations are sometimes very helpful, especially if the treatment exceeds \$1,000.00. **We want you to know that our relationship is with you, our patient, not your insurance company.** As such, you are responsible for knowing the terms, limitations, and exclusions of your dental insurance plan, and are financially responsible for all care rendered in our office. If you are having trouble understanding the terms of your insurance plan, calling them directly is your best option. However, our front office staff will gladly help you to the best of our ability.
