HARRISBIOMEDICAL is one of the country's leading compliance firms, providing a full range of client services designed to help the dental industry respond to the mandates of OSHA (WISHA in Washington State), HIPAA, and Health Department regulations. It established its leading edge reputation by responding to client needs in direct, reliable, and accountable ways.

We are an active member of the Washington Academy of General Dentistry; the Organization for Safety, Asepsis, and Prevention (OSAP); and a providing partner of the Seattle Study Club throughout the United States.

Since 1989 we have been recognized as the company that can not only ensure immediate written compliance, but can answer the ever troublesome OSHA- and HIPAA-generated questions. This added "information service" contributes significantly to **HARRISBIOMEDICAL's** reputation as "The Compliance Company".
