

FREE WHITENING FOR LIFE PROGRAM

Free Professional Teeth Whitening for Life is a courtesy and a privilege compliments of Blue Sky Dental. This program is extended to patients who have proven themselves as individuals who take their oral hygiene and general dental health seriously. We believe it is extremely important to maintain recommended hygiene care appointments and receive necessary dental treatment to maintain a healthy and beautiful smile. In fact, patients who maintain regular hygiene appointments and receive recommended treatment spend less money on dental care (on average) than those who only see the dentist when a problem exists. All too often, people who wait until there is a problem have irreversible damage to their teeth and gums. We pride ourselves on the smiles that leave our practice. We also pride ourselves in knowing our patients are maintaining the best possible oral health.

Free Professional Teeth Whitening for Life was developed as a free gift for those patients who are already taking their dental health seriously, and as an incentive for those who need a little help keeping up with their dental care. Participating patients will receive custom made, professional, take home whitening trays for personal use. This privilege, while absolutely free, does require some rules.
