

Dear Patient,

Thank you for choosing us to help you with your dental needs. Enclosed please find a health history form and a consent form that will need to be filled out and returned to our office prior to your appointment.

It is vital that you DO NOT have anything to eat or drink 6 hours prior to your sedation appointment. If you have a morning appointment then it is nothing to eat or drink after midnight.

You must have a driver to take you to and from your appointment.

The fee for IV sedation is \$600.00 for the first hour then \$50.00 for every 15 minutes thereafter. A sedation time is generally 2 to 2 ½ hours depending on your procedure. A usual fee would be approximately \$800.00.

Please bring a check, money order, or cash to your sedation procedure. Make check payable to Dr. Neil Bergstrom DDS. You will be responsible for your sedation fee.

We will not bill your dental insurance. Your dental office procedures will likely exceed your insurance maximum for the year therefore leaving no benefit for the I.V. sedation.

If you have any questions please call us at 360-825-6596. We look forward to helping you with your dental needs.
