As a courtesy to you, we will submit claims to your dental carrier. We also accept benefit assignment, meaning we will estimate the expected benefit payment and allow you to pay your estimated portion at the time services are provided. However, we do not guarantee any estimate and should your dental plan pay less than is expected, you are fully responsible for the balance. We take no responsibility for any denials by dental plans.

If you are covered by two insurance companies, you need to be aware of a "Duplication Clause" and verify whether your secondary insurance has standard coordination of benefits. This may limit your secondary insurance payment.

Be aware of your insurance benefits, exclusions and frequency limitations. Every plan is different and changes do occur frequently.

Any balance over 60 days old will be subject to 1.5% monthly finance charge.

Returned checks for insufficient funds or closed accounts are subject to a 35.00 fee. If a check is returned, cash or credit card will be the only accepted form of payment.

A fee of \$50 is charged for patients who miss or cancel more than 1 time in a calendar year without 24-hour notice. If a collection agency becomes involved in the settlement of your account, all collection costs and legal fees for both parties are the responsibility of the account holder.

I have read and understand the above financial policy of Dr. JT Eilers.
