

FOUNDATION

Yes, I want to support the WSP Foundation's goals to sponsor every Periodontal Resident, GPR and Hygiene award winner with a scholarship to the WSP Annual Session. These young professionals are, indeed, the future of our association and dentistry. By sponsoring their attendance at our Annual Meeting they will gain an appreciation and understanding of the WSP. In so doing, that they will choose to become active members and leaders who will carry on the WSP's mission in the years to come.

I would like to donate the following amount to the Western Society of Periodontology Foundation.

\$50

\$100

\$250

\$500

\$1000

\$2500

\$5000

Special Recognition is offered with donations of \$500 or more

\$500 | Bronze Level Sponsor
