

Insurance for Grocers

Northwest Grocery Industry Specialist

RiskPoint is committed to understanding the unique insurance issues facing Grocers. We know how important the proper coverage, knowledgeable claims and affordable premiums are to a Grocery store owner. That's why we have specialists with over 50 years of Grocery Insurance knowledge dedicated to serving store owners.

WE PARTNER WITH YOU

Our goal is to be more than a typical insurance agent you rarely hear from. Together we will help you chart a course that will accomplish meaningful results by:

- Reducing your cost for insurance
- Ensuring proper coverage for all your assets
- Eliminating duplicate or unnecessary coverage
- Controlling expenses
- Providing expert claims support when you most need it
- Delivering loss control resources

OUR SOLUTIONS ARE PROVEN

We have excellent relationships with all the major insurers so we can seek out the best and most cost effective solutions for Grocers.

More importantly, we work with the specialty insurers who have committed to provide programs designed to meet the unique needs of Grocery store owners. This includes coverage enhancements addressing store related risks, knowledgeable claims handling, and underwriting knowledge that results in the most favorable premiums.
