Financial Policy

We are dedicated to providing the best possible dental care to you and your family. Your complete understanding of your financial responsibilities is an essential element of care and treatment.

Dental Insurance: It is the *patient's responsibility to know their insurance coverage* and present their card upon the first visit. We ask that you contact your dental insurance carrier to review your benefits prior to being seen.

Change in Insurance Plans: You are expected to notify our office if your coverage changes. It is your responsibility to notify the office immediately of these changes. If we are unable to process your claim due to incorrect information given we will have no other choice but to bill you directly for our services.

Payment is required at the time of service: Patients who are not covered by dental insurance, on a plan we do not participate with, or we are not able to verify your coverage must pay at the time of service.

Patients who have plans that we do participate with are asked to pay their co-payments, deductibles, or any non covered services at the time of their visit. As a courtesy we will file your insurance claim for you. Services for your dental care and treatment that are not paid by the insurance plan will be billed to you. ***Regardless of what we estimate as your insurance benefits, we would like to emphasize that you are responsible for the total amount due for your dental treatment.***

Missed appointments: We do ask for a 24 hour notice if you are unable to keep your appointment. Not calling to cancel your appointment prohibits other patients who are in need of care from being seen. If a patient breaks multiple appointments without notifying the office within a 24 hour period a \$50.00 charge will be applied for loss of time except for emergencies.

I have read and understand the financial policy of the practice and agree to be bound by the terms. I also understand and agree that such terms may be amended from time-to-time by the practice.
