

In 2014 the Oregon Society of Periodontists hoped to provide you with meetings both informative and beneficial to your practice. The meetings were also intended to offer you the opportunity to meet and share ideas with colleagues. The OSP welcomes your feedback and suggestions for meetings and ways to improve its meetings and membership.

The OSP is a small group that relies on your financial contribution through dues as well as your desire to support the profession by meeting with peers on a regular basis to hear and discuss relevant topics and cases.

We appreciate your support and look forward to seeing you at our first meeting in February.

With the new year brings new leadership. A special thanks to Matt Hoidal for his hard work the past two years.
