FINANCIAL POLICY

We make every effort to keep down the cost of your oral surgical care. You can help by paying upon completion of each visit. We offer our patients the option of paying with Visa, MasterCard, Debit Card, Cash or Certified Cheque. **Please note that we do not accept cheques.** Upon exceptional circumstances, other payment options may be extended, but only if discussed with the doctor or office staff **prior** to the date of treatment.

For patients with dental insurance, we will assist you in collecting the maximum amount you are entitled to by providing Predetermination and Claim forms. Most insurance companies accept electronically filed claims which usually result in reimbursement in less than 1 week. **All dental insurance reimbursements are directed to the policyholder.**

As a Specialty Practice, our fees are generally 10 – 15% above the Ontario Dental Association Fee Guide for General Dental Practitioners. Please be advised that OHIP covers only major Oral and Maxillofacial Surgical procedures performed in the hospital and does not provide coverage for in-office procedures.

If you have any questions regarding our financial policy, please feel free to discuss them with the doctor or office staff.

I have read and understand the financial policy of the Huronia Oral Surgery Group.
