

Toys for Treats

Back for its 4th year, Toys for Treats is a partnership between Elk Meadow Elementary School and dentists who are concerned about the amount of candy some of our kiddos will be eating during Halloween. In three years, we have taken over 450 pounds of candy out of our students' diets.

Similar to the popular candy buyback program, our twist is to exchange candy for things like books and small toys such as balls and jump ropes. Dentists who are interested in being involved contribute financially in order to purchase the exchange items. As we kick off another year, we hope more will come on board so we can serve even more students trying to make healthier choices.

If interesting in donating, checks can be made to Elk Meadow Elementary and sent to my attention at the address below. If you prefer to send me an email, I'd be happy to swing by your office.

Thank you in advance for your support in encouraging healthy lifestyles.

Feel free to contact me if you have questions.
