ORTHODONTICS

**Dr. Dumore & Team Orthodontics Senior Student Scholarship**

One of the goals of Dr. Tim Dumore is to encourage our patients to strive for excellence and to promote continuing education. We are pleased to announce our **Dr. Dumore & Team Orthodontics Senior Student Scholarship**.

This scholarship is your choice of **either \$1000 or \$500 with limo service** the night of the graduation dinner. It will be awarded to two high school seniors who are either a past or current patient of Dr. Tim Dumore. We want to invest in the success of our patient's future by providing scholarship funds to help with the financial burden of their further education. For all their hard work, the two recipients will be treated to a limo the night of their graduation.

The criteria for selection shall consist of the following:

- Scholarship Application Form
- Letter of Reference from a member of the administration or educational staff at your school
- Letter of Acceptance to secondary education program
- 500 Word Essay - Write as if you were speaking to a patient who is just about to start Orthodontic treatment, but are a bit unnerved by the prospect as you must have been at the start of your care. Use the wisdom of your experience to convey how braces will positively affect their appearance and personality, and how they represent themselves.
- Existing or Previous Patient of Dr. Tim Dumore

We invite you to apply for this scholarship and it is our hope that our contribution to your education will encourage you to strive for excellence in your education and in your future.

All scholarship applications must be received to our office, care of Rachel Sullivan, by April 1, 2017. The two recipients will be announced in May 2017.

We wish all Senior Students all the best as they plan for the next chapter of their lives.

Sincerely,

Dr. Tim Dumore
